PROLOGUE

THE NATIONAL DAY PARADE 2021 (NDP 2021), themed **'Together, Our Singapore Spirit'**, aims to celebrate the unity and resilience of Singaporeans in the face of adversity.

Returning to the Float @ Marina Bay this year, NDP 2021 hopes to be a platform that helps bring Singaporeans together and remind us of the strength in our

spirit. Just like the generations before us, we can dream big, overcome all manner of challenges, and create a better future together.

This year's Show has been designed with the home audience in mind. NDP 2021 will introduce a host of multimedia and television-exclusive special effects to enhance the experience of home viewers.

“

The elements of the show have been put together to celebrate the spirit of resilience and inspire hope during these challenging times. ”

BOO JUNFENG
Creative Director

NDP THEME

‘Together’ expresses our common Singapore identity and encompasses Singaporeans coming together as one united people.

‘Our Singapore Spirit’ rallies Singaporeans to seek new strength from our ‘can-do’ spirit following obstacles from COVID-19, amid challenging circumstances and potential disruptions in the coming decade. We look to reinvigorate the Singapore Spirit, encourage Singaporeans to pursue innovation, muster our ‘dare-to-try’ attitude, and overturn our geographical limitations and lack of natural resources.

NDP LOGO – LION’S COURAGE

The lion head logo represents our nation’s strength of will and unity. The five bold strokes of the logo symbolise the ideals depicted in the five stars of our National Flag: Democracy, Peace, Progress, Justice and Equality. These form the core of our Singaporean identity. The number “56” is embedded in the logo design, to recognise our 56th year of independence.

The NDP 2021 Logo is inspired by the Lion Head Symbol, which was introduced in 1986 to express loyalty and commitment to the nation. We hope that the lion’s courage and strength will spur our nation on as we overcome COVID-19, progress into the new normal, and build our shared future together as one united people. This is what it means to come together and demonstrate our Singapore Spirit.

The NDP 2021 Logo was conceptualised by Nanyang Polytechnic student Tan Yun Xin, and further developed into the brand direction and identity by Black Design Pte Ltd.

A SHOW OF RESILIENCE

The NDP 2021 Show can be described as a “Show of Resilience”. Not only is it a show that features the theme of resilience, the very staging of it demonstrates the spirit of resilience of our people.

The show adopts a live-virtual format to bring people together safely. The live Show at the Float interweaves with pre-recorded performances across four satellite sites – National University of Singapore Field, Jewel Changi Airport, ActiveSG Yio Chu Kang Stadium and Marina Barrage - in order to present a meaningful performance in a safe manner.

This year’s Show also features animated films that tells stories that span across generations. These animated films bridge the various acts of the Show and evoke a sense of nostalgia by bringing historical moments and familiar local scenes from the past to life.

Through six animated characters from the past and present, we see what they wish to achieve - for themselves, for their families and for society. Despite the different circumstances and challenges, they are all connected by a common drive to overcome adversity to pursue their dreams.

PRE-PARADE

Be enlivened by the spectacle and energy of the Pre-Parade festivities – helmed by our hosts Joakim Gomez, Fauzie Laily, Patricia Mok, and Eswari Gunasagar.

Groove along and warm up your vocals with the hosts, singers, motivators, and performers, as they lead you through our familiar Singapore songs.

HOSTS AND PERFORMERS:

Joakim, Fauzie, Patricia Mok, Eswari, The Freshman and Sezairi.

PARADE AND CEREMONY

This year's Parade and Ceremony is a traditional parade marked by the return of the Colours Party, together with the Military and Home Team supporting contingents. Joining the parade virtually are 21 civilian contingents from across our schools as well as social and economic organisations, in addition to the 9 contingents on site.

Defending our land, securing our waters and guarding our skies. This year's parade seeks to not only inspire confidence in Total Defence, but also pay tribute to our Everyday Heroes amid our fight against COVID-19.

OUR HOPES AND ASPIRATIONS

Act One opens with an animated film that introduces six characters from the past and present, and their aspirations for the future. The first performance kicks off with a high energy rhapsody about the hopes and aspirations of our youths from different generations.

PERFORMERS:

Benjamin Kheng, Nick Z, Shabir, Aisyah, Inch, Shye, Institute of Technical Education, National University of Singapore, Republic Polytechnic, with animated graphics by Nanyang Polytechnic students.

ACT

1

THE CHALLENGES WE FACE

ACT

2

Act Two is a reflection of the challenges we have faced, and our pillars of support which we fall back on in times of difficulty. The animated film takes us through the challenges and setbacks faced by the characters. We will see how the characters are supported by their family and friends, as the act wraps up on a warm and uplifting tone.

PERFORMERS:

Aisyah, Yung Raja, Benjamin Kheng, Singapore SOKA Association and Singapore Symphony Orchestra.

THE STRENGTH FROM WITHIN

ACT

3

Act Three will showcase our strength from within. Through the characters from the animated films, we will see how our previous generations have overcome their share of obstacles. This Act will also feature familiar vernacular songs in celebration of our Singapore Spirit.

PERFORMERS:

Shabir, The Freshman, Alemay, Sezairi, People's Association, Movement for the Intellectually Disabled of Singapore (MINDS) and children choir from MindChamps Académie of Stars.

OUR STRENGTH TOGETHER

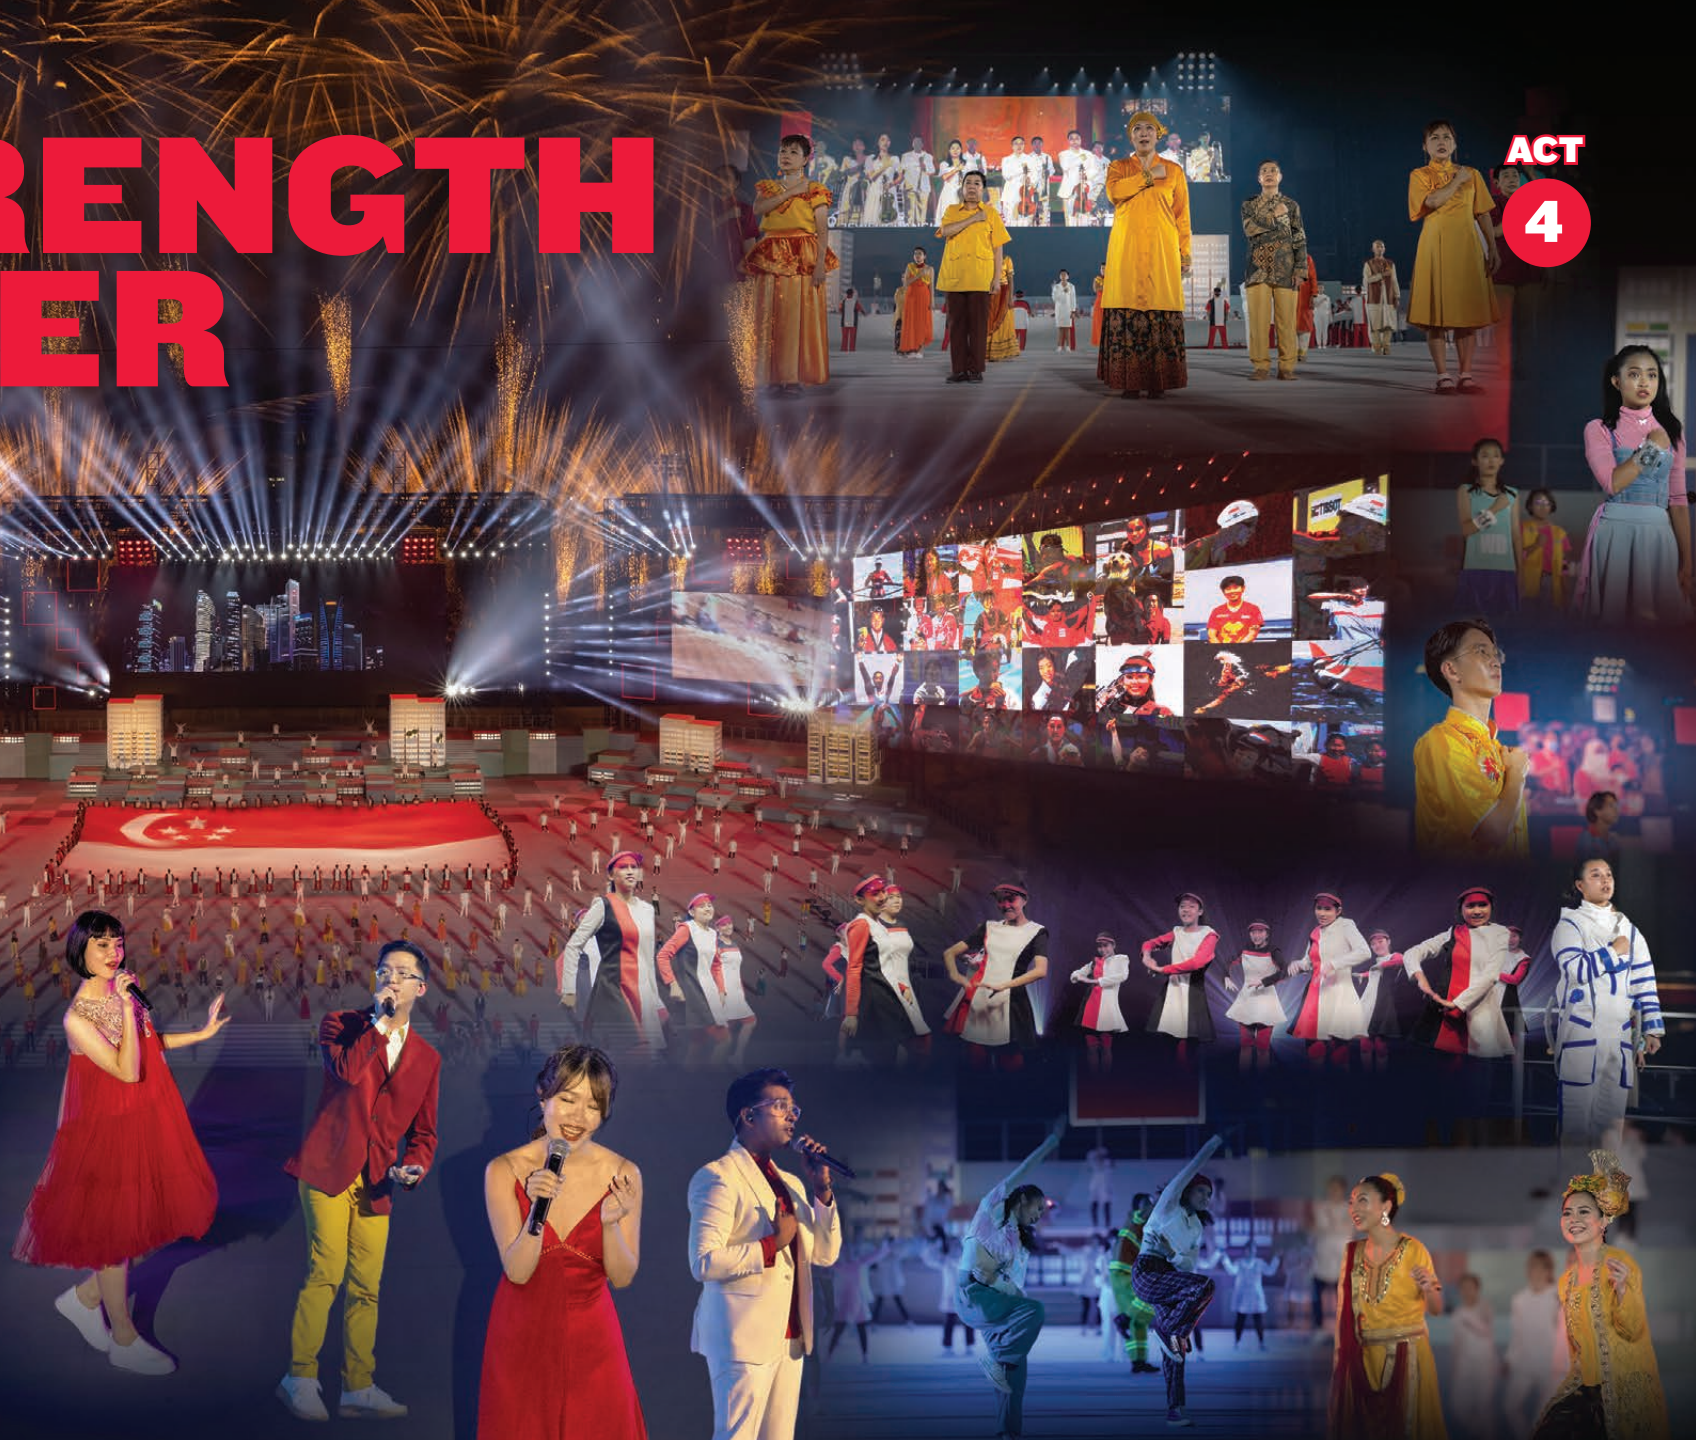

ACT
4

Act Four is an affirmation of our strength together and a renewed spirit as we take on the future as a nation. We will see the aspirations of ordinary Singaporeans, and the things they do for their fellow countrymen. Team Singapore athletes will take centre stage, followed by a performance of our NDP 2021 theme song that is integrated with a virtual dance performance by secondary school students.

The Act will culminate in a grand finale, with all performers and spectators enjoying a medley of familiar national songs, reciting the pledge and singing the national anthem, against the backdrop of a spectacular fireworks display.

PERFORMERS:

Linying, Shabir, Shye, Sezairi, Bedok Green Secondary School, Gan Eng Seng School, Juying Secondary School, Naval Base Secondary School, Sengkang Secondary School, Tampines Secondary School and TeamSG athletes.

BREATHING CITY

VERSE 1

Breathing city
Living home
Electric gardens
Filled with hope.

Lift my spirit
I wanna burn anew
In rivers flowing
Pulling me to you.

PRE-CHORUS

Standing on your shoulders
I see clearly
Now I understand.

CHORUS

Just give it time
The seeds we sow today will bear
tomorrow's fruits
Can't wait to see our children
standing on the moon.
Looking back at our city.

VERSE 2

Live and learn as
We dive into the unknown
When each day is a blessing
There's always room to grow.
You're my family
I can call you my own
This Breathing city
My Living home.

PRE-CHORUS 2

I will learn to stand by
You and all your love
I will defend.

CHORUS 2

Just give it time
The seeds we sow today will bear
tomorrow's fruits
Can't wait to see our children
standing on the moon.
Looking back at our city.
You know that's why
Every tree that reaches out has
grown its roots
Me and you together living like
we should
In our beautiful city.

VERSE 3

Breathing city
Living home
Electric gardens
Filled with hope
Lift my spirit
My Breathing City
My living home.

SPIRITS ANEW

VERSE 1

Whenever hope is lost inside
I look to you and there I find that
you have
A dream like mine

VERSE 2

Where we're kaleidoscopic hues
Paint me with colours never seen
before
I'll be your muse

*(A world where the future's
in our hands*

*A world where the odds will stand
a chance to be*

One with our Homeland)

PRE-CHORUS

*(Can you hear it?)
A voice that's calling

(Can you see it?)
A light that's shining bright
Here in your eyes*

*(Can you hear it?)
As loud as thunder*

*(Can you feel it?)
As certain as the sun
We'll rise*

CHORUS 1

And we will sing together
The strength in our voices will
Turn all the pages
They'll hear us calling
Our spirits unbroken
We'll walk to the sound of
our dreams

VERSE 2

Pick up the pieces left behind
We'll build a ship for us to sail
through the tides
The future's on our side

PRE-CHORUS 2

*(Can you hear it?)
A voice that's calling*

*(Can you see it?)
A light that's shining bright*

Here in your eyes
*(Can you hear it?)
As loud as thunder*

*(Can you feel it?).
As certain as the sun
We'll rise*

CHORUS 2

And we will sing together
The strength in
our voices will
Turn all the pages
They'll hear us calling
Louder than a lion
We'll walk to the sound of
our dreams...Oh

BRIDGE:

Follow the voice
that's inside
Feel your spirits
come back to life

CHORUS 3

We will sing together
The strength in our voices will
Turn all the pages
They'll hear us calling
Louder than a lion
We'll rise with our spirits anew
Don't you give up *(Never)*
I'll lift you up. *(Higher)*
Like the moon and
the stars *(Brighter)*
We'll rise with our spirits anew
Don't you give up *(Never)*
I'll lift you up. *(Higher)*
Like the moon and
the stars *(Brighter)*
We'll rise with
our spirits anew
Dengan Semangat Baru
We'll Rise

THE ROAD AHEAD

VERSE 1

One man on an island
One drop in the sea
All it takes to set a wave in motion

Is a single word, an action
A hope that we can be
The change that we've been
longing to see

PRE CHORUS

For our home, our land, our family
It's all within our reach

CHORUS

See this island, every grain of sand
Hear this anthem, it's the voices of
our friends
Come whatever on the road ahead
We did it before, and we'll do it
again

VERSE 2

When the moments turn to hours
And the day's last light is gone
Look around us always
and remember
There were times we were
uncertain
But we just kept walking on
It's always darkest just before
the dawn

CHORUS

See this island, every grain of sand
Hear this anthem, it's the voices of
our friends
Come whatever on the road ahead
We did it before, and we'll do it
again

BRIDGE

Our home, the home we share
Where the garden always grows
toward the light
Though the road ahead is daunting,
I know we're gonna be alright

CHORUS

See this island, every grain of sand
Hear this anthem, it's the voices of
our friends
Come whatever on the road ahead
We did it before, and we'll do it
again
